Dear Colleagues of ILO,

SUEPO, the Staff Union of the EPO, express their strong support for your action.

The International Labour Organization is a well chosen environment for raising the problems of international civil servants.

SUEPO looks back to an excellent and fruitful cooperation with the ILO Staff Representatives in the analysis of the unacceptable weaknesses of the international legal systems.

We still think that the special situation of intergovernmental organisations does by far not justify the poor legal situation the employees find themselves in.

SUEPO is ready to coordinate again with ILO Staff Representatives and all other concerned Staff actions aiming at improving the legal situation of international civil servants.

With our best regards.
