March for a Fairer Europe for Workers

Just transitions, quality jobs and higher wages, democracy and social justice

26 April 2019, Brussels

(letter being translated FR/DE/ES/SV/RU)

Dear Colleagues,

The ETUC, the European Trade Union Confederation will organise together with the Belgian unions a Euro-demo in Brussels on 26 April.

The demonstration is to underline the demands of the ETUC for the European Parliament elections (23-26 May).

It is a step in the work unions across Europe are doing to ensure we have the political support for a fairer Europe for workers and our communities following the elections.

You are kindly invited to send a delegation of your union to this demo and join the EPSU block/ group. Your presence in the demonstration can be an element in the mobilizing your union is doing in support for the trade union demands for the EP elections. For us it is a good opportunity to underline that we need an end to austerity policies and that we need more investment in public services and in the quality of the services workers want to provide.

The demo will start at 10:30 in Place du Luxembourg - this is in front of the European Parliament - and then go to the Council and Commission buildings. More information will follow. And do not hesitate to contact your confederation.

So please let us know if your union will be in a position to send delegates to the demo and join all of us in the EPSU block. It would be an important demonstration of our joint demands. To register your delegation please inform cboeckx@epsu.org

We look forward to meet you or your colleagues.

In Solidarity,

Jan Willem GOUDRIAAN
