Dear Mr. Campinos,

Thank you for your letter to USF copied to EPSU. I read it as a start of a more constructive dialogue in which the issues that have been raised by the staff and their union can be addressed and dealt with. There are quite a few and you have inherited a rather unfortunate situation which included a hostile approach towards the union and its delegates.

I wish the union colleagues and you a constructive and successful dialogue.

And that this might be one of many successes for the Patent Office, the staff and you.

Yours sincerely,

Jan Willem Goudriaan
EPSU General Secretary
